

## *Welcome to Wine House*

---

Wine House started out as a boutique wine store in 2004 specialising in back vintage and hard to source Australian wine. It only stands to reason then that the wine list we have put together would showcase what we have spent years to develop: one of this country's most comprehensive collections of premium Australian vino.

Due to the "Old & Rare" nature of some of our wines not all are available in multiples, some may require extra time to be pulled from the cellar or chilled upon your request.

\*\* Please allow 20 min for chilling
